

PLEASANT VALLEY DAYS

SCOFIELD, UTAH

July 2-3, 2021

Dear Vendor:

Thank you for your interest in being a vendor. We have been growing the past few years and adding new people to our volunteer staff in an effort to make the event better each year. As always, we welcome participation from you and your family if you are connected with the Scofield area, and even if you are not!

Set up will be from 8AM – Noon on Friday July 2nd and Saturday July 3rd from 6AM-9AM. Please check the website for any last-minute changes at www.scofieldpleasantvalleydays.com

Remember there is no electricity in the park field, however there are a LIMITED number of outlets available for an extra charge of \$25.00. You will need a minimum of a HEAVY DUTY 12-gauge extension cord. We are not responsible for planning your electrical needs. Your additional fee buys you ONE 15AMP CIRCUIT. Please plan accordingly. If staff determines you are using more than a 15-amp service you will be charged an additional fee of \$50, or immediately disconnected.

There are NO TRAILERS, VEHICLES or RVs allowed to stay inside the park and NO CAMPING inside the park. There IS an RV park adjoining the vendor area, ideal for staying near your booth. For reservations and availability please contact the KJ's Snack and Catch at 435-448-9697.
